PROFILE

A driven Computer Science graduate with a strong entrepreneurial mindset, combining creative design and technical expertise. Completed CBT Level 3 in Graphics Design for Freelancing, with solid skills in professional design tools and client-focused project delivery.

Experienced in both graphic design and hardware/Arduino-based projects, demonstrating practical problem-solving and adaptability. Passionate about freelancing, innovation, and building impactful digital and hardware solutions in fast-paced environments.

WORK EXPERIENCE

Agent-X Ambassador Netcom Learning Bangladesh

April 2025 - June 2025

Served as a Campus Ambassador for Agent-X, Bangladesh's first national AI competition by NetCom Learning. Represented the initiative on campus, drove student engagement, organized promotional activities, and facilitated AI learning events. Played a key role in building a vibrant AI community and promoting future-forward tech skills.

Graphic Designer Raznigar Fashion House

March 2021 - October 2023

Served as a Graphic Designer at Raznigar Fashion House, leading the creative design of digital and print marketing campaigns in the fashion industry. Developed engaging social media content, product visuals, and promotional materials while ensuring brand consistency and delivering fast, production-ready designs for seasonal launches and marketing initiatives.
